**NARRATIVE**

On 02/02/2014 at about 1920 hours (all times approximate) I was radio dispatched to a two car non-injury-blocking collision in the 7500 block of SR 204 in the city of Lake Stevens. Arriving on scene I spoke with both drivers involved and two witnesses. Based on evidence and statements at the scene it is found that U1 had been traveling eastbound on SR 204 (a 55 mph speed zone) and attempted to make an unsafe U-turn to travel westbound on SR 204. As U1 attempted the unsafe U-turn, turning across the inside lane of travel, U2 which also was traveling eastbound on SR 204 collided with U1. No injuries were reported at the collision scene and both vehicles were towed from the scene because both vehicles were blocking and neither vehicle was drivable. The driver of U1 was found to be DWLSR 2 and having no vehicle insurance. The driver of U1 was cited for DWLSR 2, no vehicle insurance and unsafe U-turn resulting in a collision.

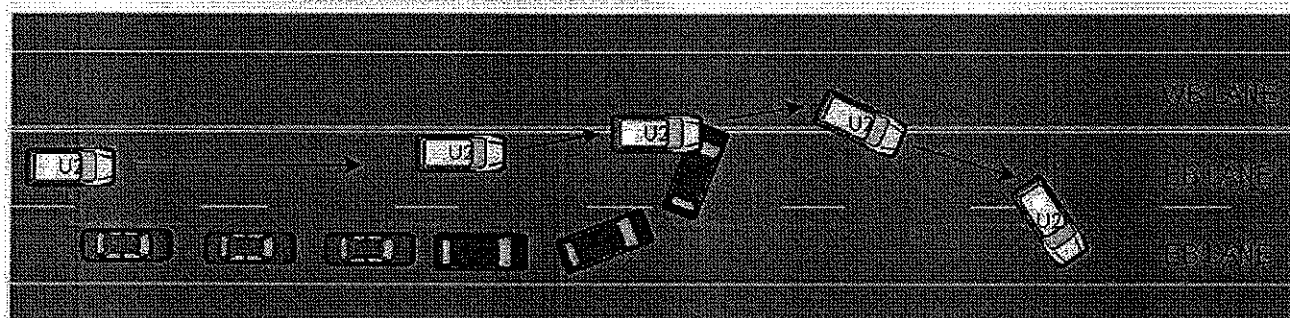

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

**ADDITIONAL NARRATIVE**

AGENCY NAME <b>LAKE STEVENS POLICE DEPARTMENT</b>	INCIDENT CLASSIFICATION <b>DWLSR 2/VEHICLE COLLISION</b>	INCIDENT NUMBER <b>14-00282</b>
NAME OF VICTIM(S)		

**OFFICER:**

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle equipped with emergency overhead lights and audible siren. On the date and time of this incident I had legal authority to arrest. I have been a city of Lake Stevens Police Department Police Officer for 14 years.

**SUMMARY:**

On the evening of 02/02/2014 driver Tony Pittard (DOB 1990), who has a suspended driver's license in the second degree, attempted to make an illegal/unsafe U-turn in the 7500 block of SR 204 resulting in a high speed/impact collision causing the Highway to be shut down for about an hour. Witnesses claimed Pittard initially tried to lie about who was operating his vehicle; claiming he was a passenger and the driver ran away. Pittard completed a written statement admitting to driving and making the U-turn.

**NARRATIVE:**

On 02/02/2014 at about 1920 hours (all times approximate) I responded to a reported non-injury/ blocking two car vehicle collision in the 7500 block of SR 204 in the city of Lake Stevens.

It should be noted this collision occurred shortly after the Super bowl football game and traffic was heavy; having to be diverted onto side streets for an hour.

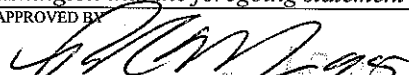

At about 1924 hours I arrived on scene and spoke with the two drivers (Pittard and Peterson) involved in the collision and two witnesses (Tulloch and Voloshin).

Based on evidence and statements at the scene it is found Pittard had been operating a 1988 Volvo passenger car bearing Washington license plate #128YKO eastbound on SR 204 from 10<sup>th</sup> Street SE.

It should be noted that SR 204 at this location has a posted speed limit of 55mph, having two eastbound lanes of travel and one westbound lane of travel having painted double yellow center lines dividing the east and westbound lanes with little to no street lights during hours of darkness.

Pittard claimed he had turned onto 10<sup>th</sup> Street SE from westbound SR 204 due to car problems, and when he returned to SR 204 at 10<sup>th</sup> Street, wanting to turn westbound (left) he could only turn right (eastbound) onto SR 204 due to traffic control devices in place at the intersection. Pittard claimed he made the right turn and traveled about 1/8 a mile eastbound on SR 204 when he attempted to make a U-turn to go westbound on SR 204; the direction he had originally been traveling and wanted to go. As Pittard attempted the U-turn, driver Peterson operating a 2013 Jeep Wrangler bearing Washington State license plate #AKA3976 eastbound on SR 204 collided with Pittard as Pittard began his slow U-turn. Witnesses claimed Pittard originally tried to say he was a passenger

in the vehicle and that the driver had fled the scene on foot, also pleading with witnesses not to tell the police he had been driving.

Pittard was identified at the collision scene by a Washington State identification card. I ran Pittard over the mobile data computer in my patrol car and found his driver's license to be suspended/revoked in the second degree as of 06/07/2012 for MINOR POSS/DRUGS. Pittard also told me he does not have current vehicle insurance on the vehicle he had been operating.

I cited Pittard for driving on a suspended/revoked in the second degree driver's license, no vehicle insurance and for making an illegal/unsafe U-turn resulting in a vehicle collision. I explained the citation and infraction to Pittard. I informed Pittard of his mandatory court appearance at Marysville Municipal Court on 02/11/2014 at 0830 hours and that failing to appear may result in a warrant being issued for his arrest. I gave Pittard his copies of the citation and infraction releasing him from the scene.

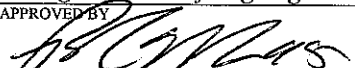

Due to both vehicles being heavily damaged from the collision (not drivable), both vehicles were towed from the scene. Mack's Towing towed Peterson's vehicle and Speedway towing towed Pittard's vehicle.

At about 2024 hours the Highway was reopened for normal traffic.

I was going forwards the trussel and my car died and I was ~~going~~ trying to start it back up. I ended up getting it started. I went up 10<sup>th</sup> street and I turned around. I wanted to go back forwards the trussel but I couldn't because there was no left turn. I took a right and drove about 1/8<sup>th</sup> of a mile. I tried to do a u-turn. ~~There~~ I thought that I would be fine. There was a jeep pretty far behind me but it came up fast and hit me before I made it into the other lane. I got out of the car to make sure he was alright and he was. We waited for the police to arrive.

I was coming home in the slow lane. A green car was doing an illegal U-turn and I swerved to miss him in the opposite lane and we hit.

I was going north on 204 to Lake Stevens. I saw a green car in the middle of the road. I tried to miss him. He was going about 10 mph. I slowed to 45 and swerved and he hit me.

I was driving NE on HWY 204. Speed 55 mph. A volvo made a (R) turn from 10th ST NE onto (R) side of HWY 204. Vehicle turned in front of me 1/4 th of a mile, but did take (L) lane immediately as I was traveling in (R) lane. The volvo was driving slower in his (L) lane, so I passed him from my (R) lane, as well as another two vehicles moved over to (R) lane & passed him as he volvo was slower.

In rearview mirror, I saw a vehicle make illegal (L) because I saw headlights turn (L). I noticed vehicles began to slow down in all directions, so I made a return & came to scene. A gentleman was saying "He [driver] ran away over the rail." Another gentleman said he is the driver of the jeep & that the other gentleman is lying & that he is the driver.

The gentleman who said driver ran away was then telling the driver of jeep "please don't tell them" that I was wrong.

Basically I was coming up 204 and I saw people swerving and changing lanes around the (what I couldn't see) until I was very close - the Volvo (crashed) in the middle of the lane. I was waved down to be a witness, but didn't see the car wreck itself. (because no one else was stopping) Driver of Volvo claimed (lied) that he was a passenger and that the guy "driving" the Volvo took off after the crash into the bushes wearing a white sweatshirt (unmasked what the guy looked like).
